"Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its

Every summer, Laney's family visits their cottage on Tidnish Beach. Summertime on Nova Scotia's north shore is slow and sweet: there are long days in the water until fingers turn prune, bottomless glasses of cherry Kool-Aid, and bonfires with the other families summering along the shore. But this year the baking heat and bright red sand provide cold comfort. This year Laney's little sister, Jenny, is gone. Ten-year-old Laney grapples with the loss. She carries immense, secret guilt that she can only work out by writing letters to her sister. Laney's mother won't even say Jenny's name, so writing quickly becomes Laney's coping mechanism, to the detriment of her social

It's a tough lesson for a preteen, but Laney must learn to acknowledge her grief in order to overcome it. When a situation arises and Laney needs to help her new friend, she finally understands that even though she will miss Jenny forever, she can find happiness again. A tender meditation on life and loss through the lens of a childhood summer, *A Beginner's Guide to Goodbye* will fill readers with warmth and spark important conversations.

freedom is essentially having complete control of your time. If you are not in control of your own time and how you spend it, you are not free. To have absolute control of your time requires wealth. Unfortunately, most of us are set up right from the beginning to follow a path that will never lead us to wealth or freedom. Instead we are expected and trained to follow a path that leads us into the time/dollar trap. We end up sacrificing our most precious resource, our time, for money. It leaves us stuck and in a perpetual loop as we struggle to keep up with debt and inflation. Instead, we need to think differently about how we approach education, work, careers, and money. We need to create a lifestyle that will lead us to wealth

A clear explanation of the things that are necessary and important, as well as the things to avoid, as you create your own pathway to personal wealth and freedom. The key is to learn these lessons and apply them early. The pathway to wealth and freedom is long and takes time. If you are in the early stages of your life, now is the time to follow these lessons and start your journey.
