wildflowers. A Guide to Common Native Flowers of Sonoma County. Wildflowers are one of the telling signs that spring has arrived — and, in California, we're lucky to be home to such a wide variety of native flowers, including many rare and endemic species. In fact, Sonoma, Napa and Mendocino counties are home to 358 species of wildflowers alone! This is a short, handy guide to just some of the beautiful and unusual flowers of Sonoma County, many of which can be found on Sonoma Land Trust ...
