The Heroic Symbols photographs that document Anselm Kiefer's 1969 performance Occupations were not seen in the public sphere until 1975, when some of those that had been taken in 1969, both in Kiefer's Karlsruhe studio and (on location) across Europe, were carefully selected and sequenced by the artist and published as a photo-essay "Occupations" (in German "Besetzungen") in ...

"Occupations": A Difficult Reception ¶ In Focus | Tate

Uncompromising in the subject matter he tackles, Kiefer's work powerfully captures the human experience and draws on history, mythology, literature, philosophy and science. Full of brave and provocative work, this exhibition will be a testament to the career of a man driven to confront himself and the audience with the big and complex issues of our world's past, present and future.

Anselm Kiefer | Exhibition | Royal Academy of Arts

Kiefer is an avid reader and deeply interested in how literature and philosophy are produced and disseminated. Since the late 1960s, in addition to paintings, drawings, and photographs, he has made a number of large-scale, unique artist books. He regards the medium of these books as something fluid, somewhat like cinema.

Anselm Kiefer (born 1945) | Essay | The Metropolitan ...

Anselm Kiefer (b.1945) played a major role in shaping the landscape of post-war German art. His vision encompasses philosophy, history and literature ¶ ranging from intimate books that explore German identity to monumental public sculpture installations. Conceptually, Kiefer urges viewers to challenge narratives of war, identity, religion, morality, memory and history.
