#1 New York Times  
bestselling author Meg  
Cabot, a scandal brings a  
young man back home to the  
small town, crazy family,  
and first love he left  
behind. Reed Stewart thought  
he'd left all his small town

troubles—including a broken heart—behind when he ditched tiny Bloomville, Indiana, ten years ago to become rich and famous on the professional golf circuit. Then one tiny post on the Internet causes all of those

troubles to return . . .  
with a vengeance. Becky

she's worked even harder to  
forget Reed Stewart ever  
existed. She has absolutely

knew about themselves (and each other) has been turned upside down, and they—and the entire town of Bloomville—might never be the same, all because The Boy Is Back.
