Buick Park Avenue Free Workshop and Repair Manuals
My parents have a 1998 buick park avenue with the 3.8L in it. They drove it, parked it, took the front tires off and put it back on and now it won't start. It has spark, can hear the fuel pump run(i don't have the correct fitting to test pressure), will not try to fire at all unless you hold the throttle to the floor then it just flutters every now and then.
