We are very pleased to be able to present the sixth edition of our Color Atlas and Text of Histology, an atlas that has been in continuous use since its first publication as a black and white atlas in 1987. The success of that atlas prompted us to revise it considerably, retake all of the images in full color, change its name, and publish it in 1990 under the title Color Atlas of Histology.

Color Atlas and Text of Histology 6th Edition PDF

Color Textbook of Histology PDF is a book written by Leslie Gartner. The book was originally published in 1997 by Elsevier and has helped many artists and students in understanding histology. Not only are there rich illustrations in the book, but there are also morphological accounts so that the reader can understand the functional importance of that particular tissue.
