For the first time there is a Criminal Law textbook specifically geared to Master's level or undergraduate legal studies/law courses on the subject. The book, written by well-known legal scholars, fills a void. Master's In Legal Studies programs have become quite commonplace in the United States, and, additionally there are colleges experimenting with new undergraduate law programs. Faculty teaching in those programs, or teaching in Criminal Justice classes, however, typically have three imperfect choices if they want

include the "Duke Rules" package, which alters Rules 1, 4, 16, 26, 30, 31, 33 and 34 to make proportionality a main component of the scope of discovery, to eliminate access to subject matter discovery, require early discussions regarding preservation and privilege protection, permit early document requests, and shorten the time permitted to issue scheduling orders and to achieve service of process. The amendment to Rule 37 codifies an approach to preservation and spoliation that favors curative measures unless there is intentional spoliation, in which case more severe sanctions such as adverse inference instructions or dismissal become available. This edition also fully incorporates recent amendments to the Federal Rules of Civil Procedure and to Title 28 of the U.S. Code, including the Federal Courts Jurisdiction and Venue Clarification Act of 2011 and the 2013 amendment to Rule 45 (subpoenas).
