But when criminals begin dropping dead, the authorities send the legendary detective L to track down the killer. With L hot on his heels, will Light lose sight of his noble goal...or his life?

With Near openly suspecting the new L of being Kira and sowing doubt in the hearts of the task force members, Light is once again forced to pass the *Death Note* on to another to take the heat off himself. But this time, Kira chooses a disciple from among his true believers. With no way to contact his successor directly, Light must rely on his faithful follower's adherence to Kira's goals. Will this newest move bring Light's ideal world closer to reality? Or will losing control of the *Death Note* spell Light's doom? -- VIZ Media

Although they've collected plenty of evidence tying the seven Yotsuba members to the newest Kira, Light, L and the rest of the task force are no closer to discovering which one actually possesses the *Death Note*. Desperate for some headway, L recruits Misa to infiltrate the group and feed them information calculated to bring Kira into the open. But the Shinigami Rem reveals to Misa who the Kiras really are, and, armed with this knowledge, Misa will do anything to help Light. But what will that mean for L...? -- VIZ Media

Light has always been confident in his ability to outthink everyone, but L's protégés are proving to be more of a challenge than he anticipated. But L is ready to keep Light under lock and key forever, especially since the killings stopped once Light was incarcerated. Then a new wave of Kira crimes hits Japan. Someone else has gotten their hands on a *Death Note*, and these new deaths aren't focused on making the world a better place, they're focused on making money. Big business can be murder, and Kira has gone corporate! -- VIZ Media
