Electrical Wiring Cost. Electrical wiring costs \$6 to \$8 per linear foot. For structured wiring — which is designed to handle communication and entertainment devices — add \$2 per foot. For low-voltage wiring installations, an electrician will charge \$0.40 to \$0.62 per linear foot.

2021 Electrical Work Pricing Guide | Cost Calculator ...

All electricians have to do some estimating and costing. People want to know what it will cost before contracting for a job. In electrical wiring, estimating requires a lot of time and effort. The electrician must charge the customer for the materials to be used (e.g., wires, switches, plugs), the cost of labor and supervision, overhead expenses (e.g., the cost of maintaining an office and operating trucks) plus enough to make a profit.
