Gain the understanding of today's financial markets and corporate financial management you need to propel you toward your goals with the contemporary insights and innovative learning tools found in Brigham/Houston's popular FUNDAMENTALS OF FINANCIAL MANAGEMENT: CONCISE, 11E. This market leader offers intriguing insights into the social responsibility of business, the significant effects of recent changes in corporate tax code, the ongoing multiple effects related to the economic impact of the coronavirus pandemic and other emerging issues straight from today's headlines. Clear explanations and real, meaningful examples help you understand the "what" and the "why" of corporate budgeting, financing, working capital decision making, forecasting, valuation and Time Value of Money. Hands-on exercises, cases, Excel spreadsheet models and interactive MindTap digital activities and learning modules guide you in putting the theory you learn into action.

Trust Brigham/Daves' INTERMEDIATE FINANCIAL MANAGEMENT 11E, the only textbook written specifically for Intermediate or Advanced Corporate Finance courses to provide your students with a full understanding of both conceptual theories and practical financial skills. This comprehensive text from renowned author team Gene Brigham and Phillip Daves reinforces coverage from earlier corporate finance courses for a clear presentation, while providing new, progressive material to challenge even the most advanced learners. The authors use corporate valuation as a unifying theme to emphasize the theoretic groundwork for value maximization and the practical skills to analyze business decisions. You will find in-depth coverage of core issues and the most current coverage of topics that are reshaping finance today. The book's reader-friendly approach incorporates actual business examples and integrated

cases as well as Excel spreadsheet models to demonstrate how financial theory in practice leads to solid financial decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Brigham/Houston: A Classic, redefined...because a classic never goes out of style. The market leader, Brigham/Houston, continues to grow in reputation and amount of users as the most effective approach for teaching the first undergraduate corporate finance course. The seamless, integrated ancillary package, still painstakingly prepared by the authors, is a hallmark of the Brigham/Houston package which reduces course preparation time for instructors and makes the subject more accessible for learners. New for this edition is the addition of iLrn Finance, an online student assessment and tutorial resource to help improve student performance. Additionally, access to Thomson ONE - Business School Edition, an online financial database that students can use to complete projects or select end of chapter exercises, is included with each new text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Known for its real-world examples and effective problem sets, this undergraduate corporate finance course is now in its 9th edition and includes a student resource CD-ROM, with Excel tutorials and additional practice problems. The tenth edition features InfoTrac college edition access.

Continuing the four goals from the first edition, i.e. helping students to make good financial decisions, providing a solid text for the introductory MBA course, motivating students by demonstrating finance is relevant and interesting, and presenting the material clearly, this Tenth Edition promises to be the best yet. Written by a highly-acclaimed, best selling, author team, this text remains the only MBA-level text to present a balance of financial theory and applications.

Intended for use in an introductory finance course, this textbook emphasizes the skills needed to make good financial decisions. It outlines fundamental concepts and provides detailed discussions of topics like securities, corporate valuation, strategic investment, and working capital management. Two CD-ROMs contain displays, tools kits, models, files, spreadsheets, and reference materials. Brigham teaches at the University of Florida. Ehrhardt teaches at the University of Tennessee. Distributed by ISBS. c. Book News Inc.

Help students earn the grade they want in your course with the help of this valuable tool. This Study Guide lists important learning objectives for each chapter, outlines key sections, provides self-test questions, and offers a set of problems similar to those in the text and Test Bank with fully worked-out solutions.
