Updated March 02, 2019. El Dorado, the legendary lost city of gold rumored to be somewhere in the unexplored interior of South America, claimed many victims as thousands of Europeans braved flooded rivers, frosty highlands, endless plains and steamy jungles in the vain search for gold. The most well-known of the obsessed men who searched for it, however, must be Sir Walter Raleigh, the legendary Elizabethan courtier who made two trips to South America to search for it.

The seekers of El Dorado found some gold here and there, but their quest to find the lost city of gold was doomed from the start. The place where El Dorado was |supposed| to be kept changing, as one expedition after another failed to find it. At first, it was supposed to be in the north, somewhere in the Andean highlands.

~~The Truth About El Dorado—Legendary City of Gold~~

Where is El Dorado? El Dorado, the legendary lost city of gold, was a beacon for thousands of explorers and gold-seekers for centuries. Desperate men from all over the world came to South America in the vain hope of finding the city of El Dorado and many lost their lives in the harsh plains, steamy jungles and frosty mountains of the dark, unexplored interior of the continent.
