Abstract and Keywords. Money laundering (ML), the effort to conceal the origins of the proceeds of crime, is an old activity but a recently created criminal offense, beginning in the United States and the United Kingdom in the 1980s and rapidly spreading through the West in the 1990s and the world thereafter. The global regime of controls that has emerged since 1990 represents a new attempt to obligate financial institutions and professionals to check on the origins and uses of funds that ...
