The protagonist of Heart of Darkness. Marlow is philosophical, independent-minded, and generally skeptical of those around him. He is also a master storyteller, eloquent and able to draw his listeners into his tale. Although Marlow shares many of his fellow Europeans' prejudices, he has seen enough of the world and has encountered enough debased white men to make him skeptical of imperialism.

The terrifying discovery he makes at the end of his journey and the horrors he witnesses along the way have thrilled and disturbed readers for more than a century. A searing indictment of imperialism and a haunting exposé of mankind's savage nature, Heart of Darkness is Joseph Conrad's masterpiece. This ebook has been professionally proofread to ensure accuracy and readability on all devices. Heart of Darkness is a classic of world literature. The book tells a story about a voyage up the Congo River into the Congo Free State, in the heart of Africa. Marlow, the story's narrator, tells his story to friends aboard a boat anchored on the River Thames, London, England. This setting provides the frame for Marlow's story of his obsession with the ivory trader Kurtz, which enables Conrad to create a parallel between London and Africa as places of darkness. Central to Conrad's work is the idea that there is little difference between so-called civilized people and those described as savages; Heart of Darkness raises important questions about imperialism and racism. Joseph Conrad acknowledged that Heart of Darkness was in part based on his own experiences during his travels in Africa. In 1890, at the age of 32, he was appointed by a Belgian trading company to serve as the captain of a steamer on the Congo River. Joseph Conrad (1857-1924), was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature. Dark allegory describes the narrator's journey up the Congo River and his meeting with, and fascination by, Mr. Kurtz, a mysterious personage who dominates the unruly inhabitants of the region. Masterly blend of adventure, character development, psychological penetration. Considered by many Conrad's finest, most enigmatic story.

Set in an atmosphere of mystery and menace, Joseph Conrad's 'Heart of Darkness' tells the story of Marlow's journey up the Congo River to meet the remarkable Mr. Kurtz. It reveals Conrad at the height of his powers as a writer of great vividness, intensity, and sophistication. 'An Outpost of Progress' is also set in central Africa and offers a fiercely sardonic view of European imperialism. 'Karain', with its Malaysian setting, questions conventional ideas of the contrasts between races. 'Youth' is a largely autobiographical account of an ill-fated voyage in which Marlow makes his first appearance. The four tales variously appraise the glamour, folly and rapacity of imperial adventure. Intro. and Notes by Cedric Watts. Biblio. Chronology. Glossary.

Heart of Darkness (1899) is a novella by Polish-English novelist Joseph Conrad about a narrated voyage up the Congo River into the Congo Free State in the Heart of Africa. Charles Marlow, the narrator, tells his story to friends aboard a boat anchored on the River Thames. This setting provides the frame for Marlow's story of his obsession with the successful ivory trader Kurtz. Conrad offers parallels between London ("the greatest town on earth") and Africa as places of darkness. Central to Conrad's work is the idea that there is little difference between "civilised people" and those described as "savages." Heart of Darkness implicitly comments on imperialism and racism.

In this pair of literary voyages into the inner self, Joseph Conrad has written two of the most chilling, disturbing, and noteworthy pieces of fiction of the twentieth century. Heart of Darkness is a devastating commentary on the corruptibility of humanity. Based on Conrad's own 1890 trip up the Congo River,

the story is told by Marlow, the novelist's alter ego. It is a journey into darkness and horror—both literally, as the narrator descends into a sinister jungle landscape, and metaphorically, as he encounters the morally depraved Mr. Kurtz. *The Secret Sharer* is the tale of a young sea captain's first command as he sails into the Gulf of Siam—and into an encounter with his mysterious “double,” the shadow self of the unconscious mind. Joseph Conrad boldly experimented with the novella and novel forms, filled his writing with the exotic places he himself had traveled, and concerned himself with honor, guilt, moral alienation, and sin. *Heart of Darkness* and *The Secret Sharer* encapsulate his literary achievements—and his haunting portrayal of the dark side of man. With an Introduction by Joyce Carol Oates and an Afterword by Vince Passaro

In a novella which remains highly controversial to this day, Conrad explores the relations between Africa and Europe. On the surface, this is a horrifying tale of colonial exploitation. The narrator, Marlowe journeys on business deep into the heart of Africa. But there he encounters Kurtz, an idealist apparently crazed and depraved by his power over the natives, and the meeting prompts Marlowe to reflect on the darkness at the heart of all men. This short but complex and often ambiguous story, which has been the basis of several films and plays, continues to provoke interpretation and discussion. *Heart of Darkness* grew out of a journey Joseph Conrad took up the Congo River; the verisimilitude that the great novelist thereby brought to his most famous tale everywhere enhances its dense and shattering power. Apparently a sailor's yarn, it is in fact a grim parody of the adventure story, in which the narrator, Marlow, travels deep into the heart of the Congo where he encounters the crazed idealist Kurtz and discovers that the relative values of the civilized and the primitive are not what they seem. *Heart of Darkness* is a model of economic storytelling, an indictment of the inner and outer turmoil caused by the European imperial misadventure, and a piercing account of the fragility of the human soul.

Heart of Darkness centers around Marlow, an introspective sailor, and his journey up the Congo River to meet Kurtz, reputed to be an idealistic man of great abilities. Marlow takes a job as a riverboat captain with the Company, a Belgian concern organized to trade in the Congo. As he travels to Africa and then up the Congo, Marlow encounters widespread inefficiency and brutality in the Company's stations. The native inhabitants of the region have been forced into the Company's service, and they suffer terribly from overwork and ill treatment at the hands of the Company's agents. The cruelty and squalor of imperial enterprise contrasts sharply with the impassive and majestic jungle that surrounds the white man's settlements, making them appear to be tiny islands amidst a vast darkness.

Acclaimed cartoonist Peter Kuper delivers a powerful interpretation of Joseph Conrad's classic novella. *Heart of Darkness* has unsettled generations of readers with its haunting portrait of colonialism in Africa. Acclaimed illustrator Peter Kuper delivers a visually immersive and profound interpretation of this controversial classic, evoking the danger and suspense at the heart of this brutal story. Longtime admirers of the novella will appreciate his innovative interpretations, while new readers will discover a brilliant introduction to a canonical work of twentieth-century literature.
