There is no simple strategic method for dealing with the multidimensional nature of digital change. Even the sharpest leaders can become

# Download File PDF Horizon Perfect Binder

disoriented as change builds on change, leaving almost nothing certain. Yet to stand still is to fail. Enterprises and leaders must re-master themselves to succeed. Leaders must identify the key macro forces, then lead their organizations at three distinct levels: industry,

enterprise, and self. By doing this they cannot only survive but clean up.

Digital to the Core makes the case that all business leaders must understand the impact the digital revolution will continue to play in their industries, companies, and leadership style and practices. Drawing on interviews with
