find him. His old employer, Mossad, keeps no forwarding address. Even his wife and son are convinced he is dead. So when an assault team strikes, Slaton is taken by surprise. He kills one man and manages to escape. Half a world away, in the baleful heat of the Amazon, an obscure air cargo company purchases a derelict airliner. Teams of mechanics work feverishly to make the craft airworthy. On the first flight, the jet plunges toward the ocean. The CIA assesses the two spectacles: a practiced killer leaving a trail of bodies across Europe, and a large airplane disappearing without a trace. The two affairs are increasingly seen to be intertwined. Langley realizes the killer is a man long thought to be dead, and the lost airliner has been highly modified into a tool of unimaginable terror. When
