Without a doubt, your Miata is a special car. By reading Mazda Miata Performance Handbook you can learn how to make it a GREAT car! This is the first hands-on guide to modifying and performance tuning your Mazda MX-5 for street or track. At the Eleventh Hour is more than just a biography about the accomplishments of Himalayan master Swami Rama and an overview of the profound system of yogic knowledge he brought to the West. This book tells the story of Swamiji through the eyes of Pandit Rajmani Tigunait, PhD, his devoted student and successor as the spiritual head of the Himalayan Institute. As you read Pandit Tigunait's account of life with his master, you will gain insight into the guru-disciple relationships Swami Rama had both with his master and with his own students. This book serves as a guide to some of the more esoteric practices of tantra not commonly known or understood in the West. It brings you to holy places in India, to the source of the Himalayan Tradition, revealing why these sacred sites are important and how to go about visiting them. The wisdom in these stories penetrates beyond the power of words. Discover the legacy of a true Himalayan master and the nature of the yogic wisdom he shared.
