The Beginner Guitar Lessons for Kids Book with Online Video & Audio access by Jay Wamsted is designed to help the absolute beginning student learn to play the guitar. This step-by-step course is designed for elementary school-aged children (ages 5-11) and quickly teaches the student to play songs they will know and love. This method includes online access to video instruction that will help the child play with proper form and timing. The video shows the guitar, both hands, and the sheet music on-screen at the same time. The audio tracks allow the student to practice and play along with easy songs. The combination of book, video, and audio make this the easiest to understand guitar course for kids available.

This book teaches sight reading in a systematic way by creating exercises based on the same concepts that the student is studying in the Lesson Book. Exercises are short and the music is generally easier than correlating pages in the Lesson Book.

The perfect introduction to the electronic keyboard, and ideal for the absolute beginner getting started with their first instrument. With absolutely no musical knowledge required, this simple yet comprehensive guide is perfect for adults and children alike.
