We all have those days when it's good to be reminded that we are not alone, God is with us, and He will get us through! Keep this book close by for your daily dose of inspiration and prayer along with a good measure of laughter.

Recognizing "a playful spirit" as part of our human makeup, Conrad Hyers shows how laughter and humor are integral to our serious study of the Bible. He opens the joy of understanding the Bible in its fullness. With the darker realities of the Bible -- sin, suffering, and death -- there coexists a lighter side -- laughter, humor, and playfulness. Competent biblical study requires both perspectives. This highly readable, preachable, and teachable work gives ministers, students, lay readers a valuable tool for recovering the spirit and offers a chance to share in the celebration of life and the divine comedy of faith, hope, and love.

In *Laughing at the Days to Come*, Tessa Thompson shares a poignant story of physical suffering and her journey to not only understand God's hand at work in it, but to face the future with laughter. This book is gospel centered and hope-filled. Page after page, the author directs our focus to Christ and his work for us. We all face suffering in this fallen world, but we are not without hope. In *Laughing at the Days to Come*, readers are equipped to face their own stories of suffering with joy because of our present and future hope in Christ. Tessa Thompson was fifteen years old when she was diagnosed with a rare neurological disease that took away her hearing and would eventually cause chronic pain and other health complications. Faced with a future of uncertainty, she encountered Proverbs 31:25: "Strength and dignity are her clothing, and she laughs at the time to come." The godly woman of Proverbs 31 had something Tessa lacked- a vision for life that allowed her to laugh at the future. Tessa recognized she needed this laughter in order to endure lifelong suffering in a way that honored God. In this warmly personal account, Tessa insightfully considers what she calls the Christian's "peculiar perspective on suffering" and shows you how the hope of God's Word will enable you to laugh at the days to come even in the midst of tears and suffering. Table of Contents: PART 1 | Laughter: Its Definition Chapter 1 | Her Trial: He Gives and Takes Away Chapter 2 | Her Vision: A Woman Who Laughs Chapter 3 | Her Reality: Living in a Vale of Tears Chapter 4 | Her Dilemma: A Peculiar Perspective on Suffering PART 2 | Laughter: Its Doctrine Chapter 5 | Her Necessity: A Sober-Minded Suffering Chapter 6 | Her Comfort: God's Fatherly Sovereignty Chapter 7 | Her Guide: Christ's Perfect Example Chapter 8 | Her Guarantee: The Spirit's Enduring Preservation PART 3 | Laughter: Its Doing Chapter 9 | Her Prayers: The Humble Expectation of a Daughter Chapter 10 | Her Practice: The Selfless Love of a Sister Chapter 11 | Her Prospect: The Heavenly Aim of a Pilgrim

*This devotional is adapted from *Happiness*, A2015 by Randy Alcorn.

Prior to the modern age laughter raised passions and activated the body to sweat and shake. Derision was not distinguished from joy. Deceiving the senses by tricks or funny stories made all people laugh loudly, regardless of class. Johan Verberckmoes describes, in this innovating book, the hotchpotch of comic images and stories in "Flandes" during the rule of the Spanish Habsburgs, from 1500 to 1700. It challenges the Bakhtinian idea of a caesura in the history of laughter around 1600.

Daily Assurance in the Face of Life's Hardest Struggles When life throws challenges at us, our view of God's presence can become cloudy. If God is good, why is there so much evil and suffering? In times of hardship, it's easy to lose sight of God's purpose, goodness, and love. 90 Days of God's Goodness helps disperse the fog/little by little, discovery by discovery, day by day. Through these thoughtful, inspiring devotional readings, bestselling author Randy Alcorn brings clarity to the question of God's goodness. For anyone who's ever suffered, or shared in a loved one's suffering; or for anyone who's ever been painfully distressed by the prevalent evil in this world; 90 Days of God's Goodness opens a wide door to healing and the reassurance of a God whose love we can count on and always turn to.

A collection of ninety daily meditations confront the issue of human suffering and offer the possibility of healing through trust in God.

Laughing Gods, Weeping Virgins analyses how laughter has been used as a symbol in myths, rituals and festivals of Western religions, and has thus been inscribed in religious discourse. The Mesopotamian Anu, the Israelite Jahweh, the Greek Dionysos, the Gnostic Christ and the late modern Jesus were all laughing gods. Through their laughter, gods prove both their superiority and their proximity to humans. In this comprehensive study, Professor Gilhus examines the relationship between corporeal human laughter and spiritual divine laughter from c ussical antiquity, to the Christian West and the modern era. She combines the study of the history of religion with social-scientific approaches, to provide an original and pertinent exploration of a universal human phenomenon, and its significance for the development of religions.
