Appeasing the Spirits. Many early burial rites and customs were practiced to protect the living, by appeasing the spirits who were thought to have caused the person's death. Such ghost protection rituals and superstitions have varied extensively with time and place, as well as with religious perception, but many are still in use today.

The History of Death and Burial Customs

Burialor intermentsis a method of final dispositionwherein a dead person or non-human animal is placed into the ground, sometimes with objects. This is usually accomplished by excavating a pit or trench, placing the deceased and objects in it, and covering it over. A funeralis a ceremonythat accompanies the final disposition.
