Manual Women Anton

The Manual is divided in two parts: theoretical information and more practical information.

Contrary to most dating coaches, W. Anton says that knowing the theory is more important. Once you internalize the correct mindsets, your actions will follow naturally. Men and Women Are Equally Valuable

Instead, The Manual consists of Anton telling you how to be a man and seduce women, without giving any clues as to his own experience or providing any data or research to back up any of what he says. That doesn't make what he says good or bad, it just means that it's impossible to say what he is basing any and all of his opinions on. Society Thinks You Are Worthless. A good portion of the book ...
