At some stage, most boys get out a ruler or a tape measure to find out how long their penis is. There's little point in doing this when the penis is limp because the length of a flaccid penis can vary a lot, for example depending on how cold the room is. To get a precise measurement, do it when you have an erection.

~~Penis size - NHS~~

Long Dick Style is a method of intercourse where the rhythm is slow but deep and thorough. It is most effective with a long penis (preferably 8 inches or more). The penis is inserted into the vagina all the way in using a slow, smooth stroke. You pull out slowly as well right until the head of the penis is about to fall out and then you sink back in slow.
