ONE TUESDAY MORNING

The last thing Jake Bryan knew was the sound of the World Trade Center collapsing on top of him and his fellow firefighters. The man in the hospital bed remembers nothing. Not rushing with his teammates up the stairway of the south tower to help trapped victims. Not being blasted from the building. And not the woman sitting by his bedside who says she is his wife. Jamie Bryan will do anything to help her beloved husband regain his memory. But that means helping Jake rediscover the one thing Jamie has never shared with him: his deep faith in God.

from her dead husband ' s journal to move Jamie beyond one Tuesday morning. “ Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she ' d ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie ' s face. If she could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she ' d
