Ponder By: Phonograph Jones In the harsh desert of Texas after the Civil War, Ponder, a Confederate veteran, is just trying to scrape by. He meets a young woman with a background very different, but just as troubled as his. After a tense introduction, they come to an agreement to partner together. Over time, they find they have more in common than they first believed. They encounter many perils in the wild and grow closer together as their journey continues. They'll try to carve out a life in this new world and, maybe, find their heart's desires and destinies together on the way.
