“With Projected Art History, Doris Berger brings critical attention to a film genre that powerfully shapes cultural attitudes about artistic production but has been largely unacknowledged in the disciplines of art history and film studies. Artist biopics reinforce myths about artistic creativity, elevating the typically male painter's struggle and genius.

cultural attitudes about artistic production but has been largely unacknowledged in the disciplines of art history and film studies. Artist biopics reinforce myths about artistic creativity, elevating the typically male painter's struggle and genius.

Projected Art History: Biopics, Celebrity Culture, and the ...

Biopics on artists influence the popular perception of artists' lives and work. Projected Art History highlights the narrative structure and images created in the film genre of biopics, in which an artist's life is being dramatized and embodied by an actor. Concentrating on the two case studies, Basquiat (1996) and Pollock (2000), the book also discusses larger issues at play, such as how ...
