## Slumdog Millionaire

'Slumdog Millionaire' is the story of a young boy from the streets of Mumbai who wins the popular quiz show 'Who Wants to be a Millionaire'. This book also contains a fact file section which provides information on making the story into a film, the country of India and the lives of street children.

Penguin Readers is an ELT graded reader series for learners of English as a foreign language. With carefully adapted text, new illustrations and language learning exercises, the print edition also includes instructions to access supporting material online. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. Visit the Penguin Readers website Exclusively with the print edition, readers can unlock online resources including a digital book, audio edition, lesson plans and answer keys. Slumdog Millionaire tells the story of a poor, eighteen-year-old waiter in Mumbai called Ram Mohammad Thomas. Ram goes on a television quiz show, and he answers all the questions correctly. But the people who work on the programme think that he has cheated, so Ram must explain how he knew the answers.

As heard on BBC Woman's Hour From the author of the book behind the blockbuster movie Slumdog Millionaire, a brilliant novel about life changing in an instant. In life you never get what you deserve: you get what you negotiate... What would you do if, out of the blue, a billionaire industrialist decided to make you the CEO of his company? No prior business experience necessary. There is only

# Get Free Questions And Answers Book Slumdog Millionaire

one catch: you need to pass seven tests from the 'textbook of life'. This is the offer made to Sapna Sinha, an ordinary salesgirl in an electronics boutique in downtown Delhi, by Vinay Mohan Acharya, one of India's richest men. Thus begins the most challenging journey of Sapna's life, one that will test her character, her courage and her capabilities. Along the way she encounters a host of memorable personalities, from a vain Bollywood superstar to a kleptomaniac Gandhian. At stake is a business empire worth ten billion dollars, and the future she has always dreamt of. But are the seven tests for real or is Acharya playing a deeper game, one driven by a perverse fantasy? From the acclaimed author of *Slumdog Millionaire*, one of the biggest films of the decade, comes this compelling, suspenseful tale of the power of dreams, the lure of money and the universal need to know who we are. Praise for *The Accidental Apprentice*: 'It's easy to forget that before it was retitled for Hollywood, *Slumdog Millionaire* was a novel called *Q&A*, which makes its author, Vikas Swarup, probably the most successful Indian author you've never heard of.... Gripping stuff... Perhaps *The Accidental Apprentice* is awaiting its Danny Boyle' *The Times* Praise for *Q&A/Slumdog Millionaire* 'A colourful portrait of Indian society is painted with remarkable lightness and wit' *Sunday Telegraph* 'Absorbing and richly entertaining reading' *The Times*

A gorgeous, unflinching love letter to Flint, Michigan, and the resilience of its people, Kelsey Ronan's *Chevy in the Hole* follows multiple generations of two families making their homes there, with a stunning contemporary love story at its center. In the opening pages of *Chevy in the Hole*, August "Gus" Molloy has just overdosed in a bathroom stall of the Detroit farm-to-table restaurant where he works. Shortly after, he packs it in and returns home to his family in Flint. This latest slip and recommitment to sobriety doesn't feel too terribly different from the others, until Gus meets Monae, an urban farmer trying to coax a tenuous rebirth from the city's damaged land. Through her eyes, he sees what might be

# Get Free Questions And Answers Book Slumdog Millionaire

possible in a city everyone else seems to have forgotten or, worse, given up on. But as they begin dreaming up an oasis together, even the most essential resources can't be counted on. Woven throughout their story are the stories of their families—Gus's white and Monae's Black—members of which have had their own triumphs and devastating setbacks trying to survive and thrive in Flint. A novel about the things that change over time and the things that don't, *Chevy in the Hole* reminds us again and again what people need from one another and from the city they call home.

**SOON TO BE A MAJOR MOTION PICTURE** The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

"Correct!" Prem Kumar said in a shaky voice. "Mr Ram Mohammad Thomas, you have won one billion rupees!" You've seen the movie, now read the book! Ram Mohammad Thomas answers all the questions correctly on a TV quiz show and wins a billion rupees,
