meaning. Instead of being a virtue, sovereignty becomes a responsibility of a State to protect their people. ICISS (2001: 13) argues that re-characterisation of sovereignty as a control to sovereignty as responsibility is needed in both internal and external duties. The UN (2014) defines sovereignty as a charge of

motivations to the interests of victims by focusing not on the right of states to intervene but on a responsibility to protect populations at risk.

Responsibility to protect - Wikipedia

As a principle, R2P aims to reconcile the two sides. It stresses that state sovereignty

Download Ebook R2p Sovereignty And

includes both rights and responsibilities: a right to govern over a territory, but a responsibility to the population living in that territory. The term Responsibility to Protect comes from a report written in response to Kofi Annan's call.
