Ryan and Jimmy is a true story of friendship and compassion in which a simple wish to help others brings focus to the necessities that unite us all. A great choice for book talking or small-group sharing and discussion, with many possible connections, from social and economic to geographic and political.

Ryan and Jimmy: And the Well in Africa That Brought Them ...

Jimmy was later abducted by a rebel group, Lord's Resistance Army, and then escaped to the home of an aid worker. The Hreljac family paid for his schooling for a couple of years, and then brought him to Canada. Ryan's family adopted Jimmy, and he became a Canadian citizen in 2007. The brothers both graduated from high school in June 2009.

Ryan Hreljac - Wikipedia

Jimmy's Story In 1999, my class at Angolo Primary School in Uganda starting writing to a Grade 1 class from Canada. My pen pal was Ryan. I was fascinated about Ryan's life in Canada and he asked what life was like for me in my village.

Jimmy's Story - Ryan's Well Foundation

James "Jimmy" Ryan (born 12 May 1945) is a Scottish former footballer who played as a winger. Born in Stirling, Ryan spent the majority of his professional career in England, starting with Manchester United before moving to Luton Town in 1970.

Jimmy Ryan (footballer, born 1945) - Wikipedia

Here, the narrative shifts to Jimmy, Ryan's pen pal from the village where Ryan's well would be built. Ryan and Jimmy eventually met in 2000, when Ryan and his parents traveled to Uganda for the well's ceremonial opening. The overwrought, workmanlike text may be off-putting to some readers ("There's an interesting picture of this day in school in which Ryan's blond head pops up in the middle of a sea of studious black faces," reads a passage near the aforementioned photo).

early years with The Critters, sharing the playbill with pioneers of rock 'n roll like The Rascals, The Ronettes, Little Anthony & the Imperials, Jay and the Americans; and, later, collaborating and recording with megastars such as Carly Simon, Cat Stevens, Jim Croce, Elton John, The Doors, Paul McCartney, Rod Stewart and many others. Behind is an adventure told in a series of revealing, entertaining, sometimes hilarious, sometimes tragic tales that take the reader into the minds of pop stars, the shadier side of the music business, the struggle with setbacks, and the joys of success. From partying at the Playboy Mansion to panicking in a local prison with his bandmates, Ryan shares the experience of over six decades in the upper echelons of the music business. Behind is an insider's look into the people and business of the music industry. It examines how superstars and their musicians handle stress, their humanity, frailty, insecurities, and neuroses. It chronicles one musician's lifetime in the profession, sometimes in the spotlight, more often behind it, and most often in the recording studio as a composer, arranger, musician, producer, and engineer. Though by no means a tell-all hit piece, it instead employs humor, humility, occasional touches of gentle sarcasm, and masterful storytelling to craft a portrait of those who achieved stardom, their rewards, and their excesses, the alcohol and drugs, the emotional breaks, and self-destruction that befell so many, as well as those who failed in its pursuit. Ultimately, Behind is a lighthearted and joyful narrative that documents important moments in rock history. At the same time, its colorful stories and collection of personal photographs evoke memories of youth, concerts with friends, turbulent times of social change, and the delight of hits that made up the soundtrack of our lives. I invite you to take a first-hand look into the wonderful, often insane world of music through the eyes of a lifer, a musician who has found success and fulfillment by shapeshifting his way through a lifetime Behind the stars.

A candid, compelling, and rollicking portrait of the pirate captain of Margaritaville—Jimmy Buffett. In Jimmy Buffett: A Good Life All the Way, acclaimed music critic Ryan White has crafted the first definitive account of Buffett's rise from singing songs for beer to his emergence as a tropical icon and CEO behind the Margaritaville industrial complex, a vast network of merchandise, chain restaurants, resorts, and lifestyle products all inspired by his sunny but disillusioned hit "Margaritaville." Filled with interviews from friends, musicians, Coral Reefer Band members past and present, and business partners who were there, this book is a top-down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans, Key West, down into the islands aboard the Euphoria and the Euphoria II, and into the studios and onto the stages where the foundation of Buffett's reputation was laid. Buffett wasn't always the pied piper of beaches, bars, and laid-back living. Born on the Gulf Coast, the son of a son of a sailing ship captain, Buffett scuffed around New Orleans in the late sixties, flunked out of Nashville (and a marriage) in 1971, and found refuge among the artists, dopers, shrimpers, and genuine characters who'd collected at the end of the road in Key West. And it was there, in those waning outlaw days at the last American exit, where Buffett, like Hemingway before him, found his voice and eventually brought to life the song that would launch Parrot Head nation. And just where is Margaritaville? It's wherever it's five o'clock; it's wherever there's a breeze and salt in the air; and it's wherever Buffett sets his bare feet, smiles, and sings his songs.

Describes how a young boy was moved to raise money for wells in Africa, eventually creating the Ryan's Well Foundation.

The true story of a six year old who built a well halfway around the world and his life-changing friendship with a Ugandan boy.

A raindrop and a bubble decide to switch places, thinking they would enjoy themselves more by being able to do all the things the other could do. At first, it's exciting and new, but after a while, it wasn't the same. Through their journey, they both learn a valuable lesson in self-discovery: "Be the best you that you can best be!" With its positive message, it's Aesop meets Dr. Seuss: A cross between a classic fable and an illustrated nursery rhyme with delightful characters that jump off the page thanks to the colorful artwork.

Tully Mars finds himself regretting a decision to help find the missing lens belonging to the Cayo Loco lighthouse, in a madcap, tequila-inspired adventure featuring such characters as Indian shaman Ix-Nay, centenarian Cleopatra Highbourne, and boatman Captain Kirk. (General Fiction)

James Earl Carter, Jr.'s the hardest working former President of the United States. After serving as Georgia's 76th governor, Carter won the presidency during a tumultuous election cycle, serving one term from 1977-1981. Since leaving office, Carter has made a name for himself as the heart of the Democrat Party, exemplifying his servant-leader attitude. Released in time for his 97th birthday, Political Power: Jimmy Carter explores his life, loves, and leadership. The latest biography comic book joins TidalWave's ever-growing library of more than 200 comic book biographies.
