Chapter 1-The American West Flashcards | Quizlet

Recent research along the west coast of South America suggests that migrant populations may have traveled down this coast by water as well as by land. Researchers believe that about ten thousand years ago, humans also began the domestication of plants and animals, adding agriculture as a means of sustenance to hunting and gathering techniques.

American West Worksheets - History

The Western United States (also called the American West, the Far West, and the West) is the region comprising the westernmost states of the United States. As American settlement in the U.S. expanded westward, the meaning of the term the West changed. Before about 1800, the crest of the Appalachian Mountains was seen as the western frontier. The frontier moved westward and eventually the lands ...
