and poverty reduction

achievements, and

accelerate growth to

become a middle

Read Book

Sewing

income country by 2021, and share prosperity more widely amongst its citizens. This includes one of its greatest development challenges: to provide gainful employment to the over 2 million people that will join the labor force each year over the next decade. Moreover,

Read Book

Sewing

only 54.1 million of its 94 million working age people are employed. Bangladesh needs to use its labor endowment even more intensively to increase growth and, in turn, to absorb the incoming labor. The Diagnostic Trade Integration Study identifies the following actions centered

Read Book

Sewing

around four pillars to sustain and accelerate export growth: (1) breaking into new markets through a) better trade logistics to reduce delivery lags ; as world markets become more competitive and newer products demand shorter lead times, to generate

Read Book

Sewing

new sources of competitiveness and thereby enable market diversification; and b) better exploitation of regional trading opportunities in nearby growing and dynamic markets, especially East and South Asia; (2) breaking into new products through a)

Read Book

Sewing

more neutral and rational trade policy and taxation and bonded warehouse schemes; b) concerted efforts to spur domestic investment and attract foreign direct investment, to contribute to export promotion and diversification, including by easing

Read Book

Sewing

the energy and land constraints; and c) strategic development and promotion of services trade; (3) improving worker and consumer welfare by a) improving skills and literacy; b) implementing labor and work safety guidelines; and c) making safety nets more effective in

Read Book

Sewing

dealing with trade shocks; and (4) building a supportive environment, including a) sustaining sound macroeconomic fundamentals; and b) strengthening the institutional capacity for strategic policy making aimed at the objective of international

Read Book

Sewing

competitiveness to help bring focus and coherence to the government's reform efforts. This second volume provides in-depth analysis across seven cross-cutting themes that underpin most of the findings of pillars 1 and 2 above.

Public debate in
Nigeria on the country

Read Book

Sewing

Progress since its return to democracy in 1999 has been dominated by two seemingly opposite themes. The first theme is the strong growth performance of the non-oil economy. This success has been marked by sharp increases in agriculture, trade, and

Read Book

Sewing

Construction and by the emergence of new industries in the financial, telecommunications, and entertainment sectors, supported by sound macroeconomic policies and structural reforms. The second, opposing theme is the seeming failure of Nigeria's much

Read Book

Sewing

improved economic performance to reduce unemployment, especially among the young. Rising levels of unemployment have increased militancy among the young and impacted negatively on public order. 'Putting Nigeria to Work: A Strategy for Employment and

Read Book

Sewing

Growth' looks at the ways in which Nigeria's improved economic performance has impacted the labor market. A number of relevant factors are carefully examined and analyzed, including industrial policy and the investment environment, the effects of restrictive

Read Book

Sewing

trade policies on growth, and the ability of the technical and vocational education system to address the country's skills gap. The book proposes a strategy that will allow Nigeria to increase the availability of quality jobs, reduce rising youth unemployment, and sustain and further

Read Book

Sewing

Accelerate the country's economic performance and growth. At the core of this strategy are targeted interventions aimed at removing binding constraints to growth in sectors of the economy that are already growing fast, but have the potential to grow faster and have significant
