Added features are newly designed alloy wheels, color-coded mirrors and door handles, remote central locking, intermittent wipers with a timer and map lights. The European GT model received further upgrades in the ...

Subaru Impreza - Wikipedia

Take the Subaru WRX as an example. The first upgrade to the car in 2000 led to the boggle-eyed monster that nobody then, or now, seems to want to own. And now Subaru has recently given us an all-new WRX with a body style so radically different from its forebears that without the badge to guide you, you would never guess they were even related.
