One of the relatively lesser known medical symbols is the oil lamp. While the other symbols evolved from ancient beginnings, this one is well documented and directly related to one of the most significant figures in nursing: Florence Nightingale. The lamp is often used during pinning ceremonies, when new nurses will hold up an oil lamp and recite a nursing pledge.

The Caduceus is a nurse symbol that we will all recognize and correlate directly to the nursing field. With two snakes wrapped around a staff, and wings at the top with the letters R on the left and N on the right (to abbreviate for " registered nurse "), the Caduceus of Hermes has its foundation rooted deep in Greek mythology.
