The men who live there are treated worse than stray dogs come to beg for food; the children are treated worse than that. The women won't even leave home anymore. Welcome to the Hollow, an old strip-mining town that's been almost totally abandoned—except for the few who didn't have a way to leave. Being ostracized, insulted, and humiliated generation after generation has led the sweet, innocent people of the Hollow to keep almost completely to themselves. Now, the children are dangerously close to dropping out of school, just like all their parents, because of the horrible treatment they receive at the hands of the faculty and students alike—until Pastor Josh Morrow and his wife, Charlene, show up and change everything. Now, the girls are excelling in basketball, the boys in baseball, and the men and women are not only finding hidden strengths and talents, they're being recognized for them. Discover the simplicity of the Hollow people's life—no cars, no telephones, no television or radios, just their faith in the Lord and in each other. This lifestyle is the reason they are abused, but it is also the very thing that keeps them going despite it. *The Hollow: Living in the Shadows* is a truly inspirational tale about faith, commitment, and victory over adversity through pure Christian example.

What do you get when you take two moms who love children's ministries and ask them to plan the Vacation Bible School program at their church? If you asked Gennifer Anderson and Sonja Toews that question, their answer would be--this book! With more than twenty years of combined experience coordinating the VBS program for their church each summer, these two moms decided to write their own VBS programs to meet the needs of their church and offer a different program to their community other than the mainstream VBS programs that every other church in their town was offering. The result of their efforts is Small Town VBS. This book offers you three programs for less than the price of one manual for most other programs! Buy one book and be set for three years! Each program contains detailed information about the opening program, crafts, games, food, and skit scripts, which provide humor and laughter for the closing program while tying the whole theme for the day together. Jesus' parables and what those stories mean to us. *God's Most Wanted* - Studies the life of David and how God used him as a shepherd boy and king to do great things. Share God's love with the children in your church and community by putting together an unforgettable VBS program with the help of two experienced program directors who God has called to teach children about Jesus!

- Enables organizers to envision and implement a VBS program customized for the local church - Practical, comprehensive, from-the-ground-up approach to VBS Designing a Vacation Bible School program, as opposed to choosing one of the many off-the-shelf packages, is a labor of love. It considers the unique perspective of children and invests accordingly. It's a home-cooked meal compared to fast food. It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time. Well-designed VBS programs speak to children with respect, love, and patience, offering opportunity for authentic spiritual growth, not to mention an intentional theology that is reflective of the church. Finally, custom-designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts. This book provides Christian educators with the tools they need to assess the needs and resources in their congregation, and to craft a creative program in response to that assessment. *The Best VBS Workbook Ever* offers direction and suggestions on theme, structure, logistics, program, activities, staffing and promotion. Audience: Episcopal and other mainline churches looking for something more original and thoughtful than typical pre-packaged VBS programs, Directors of Christian Education, Directors of Children's Ministry,
