Valjean thought about how impossible it seemed that there was another world out there from which he had narrowly escaped. A world of manticores and cave fiends, magic swords and potions, spirit mages and necromancers. Wizard-monks who could shatter walls with their fists, a city of colored spires so beautiful it took his breath away . . . and a world in which Val's brothers were still trapped. Desperate to help his brothers, high-powered attorney Val Blackwood manages to find a way to return to the world of Urfe. After landing in the dangerous underbelly of New Victoria, he concludes that the only way to find Will and Caleb is to enroll in the Abbey-the school for wizards-and somehow gain access to a portal called the Pool of Souls. Yet to succeed, he not only has to pass the entrance exam and survive the rigors of the school, considered the most demanding in all the Realm, but also avoid a lethal assassin targeting students. As Val struggles to survive, his brothers undergo an even deadlier trial. Reeling from the loss of Mala, an adventuress lost in the mysterious Place Between Worlds, Will and Caleb and Yasmina are captured by slavers and taken to the mines beneath Fellengard Mountain. Even if they manage to escape, a feat no one has ever accomplished,

they must still find their way out of the vast and untamed caverns of the Darklands. A place even the wizards fear. Trapped in a land of dreams and nightmares, the brothers must somehow stay alive and learn to adapt to their new surroundings-or risk losing their home world forever.

Bob Marley's songs are known the world over for their powerful message of love, peace, and harmony. Now a whole new generation can discover one of his most joyous songs in this reassuring picture book adaptation written by his daughter Cedella and exuberantly illustrated by Vanessa Brantley-Newton. This upbeat story reminds children that the sun will always come out after the rain and mistakes are easily forgiven with a hug. Every family will relate to this universal story of one boy who won't let anything get him down, as long as he has the help of three very special little birds. Including all the lyrics of the original song plus new verses, this cheerful book will bring a smile to faces of all ages—because every little thing's gonna be all right!

Fifteen-year-old Ryiah enrolls at her realm's most notorious war school for those with magic. But there's a catch-only fifteen will be apprenticed. Competition is fierce and she trusts no one, especially the arrogant Prince Darren... Will she survive, or will her dream go down in flames?

In this final addition to the Sons of Destiny series, Johnson and his bride-to-be must work together to resolve the greatest problem his family has ever faced in this fantastic thriller filled with curses, dark prophecies, magic, and fated mates.

While Bannen had every intention of finding adventure, being yanked through a magical portal two continents away isn't quite what he imagined happening. For that matter, being magically bound to a mage-in-training hadn't ever crossed his mind. Being the first human familiar ever summoned in Corcoran? Not on his to-do list. Rena certainly needs all of the help that she can get, as her magic is very different, inhibiting her of the normal shields and protections. Everyone says her summoning a human familiar is a mistake, that she needs to break the bond and send Bannen back. But Bannen doesn't like this idea, not one iota. Renata Rocci has the magic of a Grim Reaper, the heart of a lion, and a body too frail to keep up with either. She can face assassins; meddlesome mages; politicians; and legendary, nightmarish monsters without flinching. Without losing and that's sexy as sin. This is definitely not the adventure he signed up for. It's far, far better.

A wrong turn. An isolated mansion. A handsome stranger in my room. I wanted a fresh start, but I never expected it to come at the hands of a centuries old vampire. I'm eager to yield my fertile, untouched body to him, even knowing that once I'm filled by his vampiric essence I'll never be the same. I'll be his bride, destined to an eternity of being swollen with his seed and bearing his demonic children. The Vampire's Seed is over 7000 sizzling words of supernatural impregnation, accelerated pregnancy, and a bulging belly filled with a vampire's seed. Find out how sexy the supernatural can be. mystery, and a whole lot of unruly behavior. In a kingdom where magic fuels everything from street lamps to horseless carriages, the mage guilds of Penador wield power equal to the king himself. So when Lord Edmund's infant son is kidnapped by the ruthless Alath Guild, he turns to the one person who's feared by even the most magically adept: Rosalind Featherstone, a.k.a. the Gutter Mage. But as Roz delves into the circumstances behind the child's disappearance, she uncovers an old enemy from her traumatic past and a long-brewing plot that could lead to the death of countless innocents, as well as the complete collapse of Penadorian society itself!

Brinley has spent most of her life lost in her own imagination. Teaching bullfrogs to do gymnastics and pretending to be invisible. Now, when a magic bell from another world summons her across time and space on a journey to find her mother, she will discover real friendship, face true evil, and overcome her greatest fears in order to save the ones she loves.

At sixteen Kara Fonti still has no magic. But Mage Guild, the most powerful of all the Guilds in Tregella, has a use for her - they will force her to bear children for men who do have magic. Arabella Fonti, to protect her own status within the guild, pushes her daughter to do the unthinkable - run away to live outside the guild system. But unguilded are not welcome in Tregella, especially on the magical chain of islands of the capital Rillidi. In increasing danger of being arrested or killed, Kara finds refuge on Old Rillidi, the original island that was neither created by magic nor controlled by one of the guilds. On Old Rillidi, Kara discovers true friends, makes a home for herself, and learns more about her strange ability to "see" magic. But the
