Gaining the Systems Advantage explores how unsuspecting small business owners get trapped in the daily chaos of feeling overwhelmed, frustrated, and out of control while growing their business, and provides strategies and solutions for escaping it.

Drawing upon his personal experience, author Daryl Murrow reveals a step-by-step process to help owners get organized and take back control of their business so they can improve performance, eliminate stress, and enjoy more time off. Included are a set of tools for:

- * Maintaining focused attention toward reaching your ideal business vision *
- Keeping happy employees by clarifying roles, responsibilities, and expectations
- Improving overall performance by

A book outlines different categories of social tools, competitive and business applications of these tools, and provides example searches with screenshots. The book provides concrete search examples, as well as strategies and approaches for searching social tools that may be available today or that may emerge tomorrow. Readers will learn ways to quickly develop new search strategies as new tools and features emerge. The future of social tools and information, and the lasting impact that these tools have had on how information plays a part in our lives, our businesses and our careers is discussed. The title is structured into seven chapters, covering: the impact of social media, and the approach of the book; a brief history of business and competitive information and the rise of social tools; blogs and microblogs; video, audio and images; social search engines; and the future of social information. The book specifically

options as an investment tool. Max
Ansbacher's book is an excellent starting
point for investors seeking a clear,
nontheoretical introduction to options."

-Jack Schwager, Author of Market Wizards
and The New Market Wizards "As a broker
on the S & P options floor for the past eight
years, I find that The New Options Market,
unlike other option books, represents a
clear, practical approach to trading options.

Both the professional and the novice will
benefit from the comprehensive coverage of
all aspects of option trading." -Kevin M.

Macleane, V.P., Fimat, U.S.A. "Max
Ansbacher is a true professional-one of
today's most experienced option brokers
and traders. His expertise stands out in this
new edition of his book as it has in the
previous editions. The fact that Max is a
maestro at writing options is evident in the
quality of the chapters on option
selling."-Lawrence G. McMillan, President
