How can families of children with disabilities plan for lasting financial security at every stage of life? Find clear answers in *The Special Needs Planning Guide*, a step-by-step companion for parents as they progress through the complexities of planning for the future of their family and their child. Written by two financial planning experts who are also a parent and a sibling of a person with disabilities, this bestselling how-to guide is now in its second edition. Revised, reorganized, and carefully updated to reflect current law, this book gives families the real-world advice, strategies, and actions needed to plan for both their future and the well-being and security of their child. With clarity and compassion, the authors guide families in addressing five critical factors involved in special needs planning-- family and support, emotional, financial, legal, and government benefits factors--at every stage of their child's life, from birth through adulthood. Throughout the book, readers will learn from the stories and advice of other caregivers, get helpful planning pointers and key questions to answer, and take action with the chapter lists of Next Steps. To help families customize the information in this book for their specific needs, this new edition also offers a complete package of online resources, including a fillable Special Needs Planning Timeline, easy-to-use financial planning worksheets, and an in-depth Letter of Intent template families can use to map out their vision for their child's life. Informed by decades of personal and professional experience, this reader-friendly guidebook will help families educate themselves about financial planning, create a complete action plan for their future, and provide the knowledge and the tools they need to work toward a secure and full life for their child. **WHAT'S NEW:** Fully revised chapters and online resources A 10-step process that breaks complex planning into manageable tasks Letter of Intent now available as a fillable PDF Excel worksheets for easy planning New chapters on Foundational Financial Strategies and Tools, and Advanced Strategies and Special Circumstances Helpful information on ABLE accounts, housing options, and military Survivor Benefit Plans New planning tips, pointers, and case stories Guidance on creating a Team to Carry On beyond the parents' lifetimes **SELECTED TOPICS COVERED:** special needs trusts funding - trustee selection - insurance strategies - investment guidance - estate planning - legal settlements - government benefits, such as SSI, SSDI, and housing benefits - goal-setting - advocacy - hiring financial and legal professionals - sibling considerations - contributions of extended support networks - retirement plans - guardianship and less restrictive alternatives

The purpose of special needs planning is to create the best possible life for an adult with a disability. This book provides comprehensive guidance on creating a life plan to transition a special needs child to independence or to ensure they are well cared for in the future. Beginning with a vision of a meaningful life for the child, Hal Wright explains how to form a practical plan to reach these goals, how to mentor personal empowerment and task skills, and how to create circles of support to sustain a life plan. He next looks at employment and residential options, and government programs available in the United States. Finally he talks the reader through important financial and legal considerations, including how to fund and manage a special needs trust. This book will be essential reading for all parents or guardians of a child with a cognitive, mental or physical impairment. It will also be of interest to attorneys, financial planners, insurance agents, trust officers and other professionals looking to better serve the special needs community.

In *Administering the California Special Needs Trust*, author Kevin Urbatsch presents a guide for anyone assigned the duty of managing a Special Needs Trust for a person with a disability. Though geared toward those who never have administered a trust, it also provides sophisticated answers for experienced trustees concerning some of the unique responsibilities a trustee of a special needs trust will encounter. Urbatsch, a California attorney who has years of experience in assisting trustees to manage special needs trusts, has written extensively for both attorneys and families on how best to establish a special needs trust. *Administering the Special Needs Trust* addresses specific California issues that a special needs trust trustee encounters daily. In a question-and-answer format, it addresses how to • avoid the most common mistakes made by SNT trustees; • understand the type of public benefits available for California persons with disabilities; • learn how SNT disbursements will affect these public benefits; • best pay for a person with a disability's housing, caregiver costs, transportation, and related expenses; • handle SNT investments, accountings, and taxes; • terminate the SNT. With checklists, form documents, and law summaries included, *Administering the Special Needs Trust* contains a wide range of information for those charged with the responsibility of managing a special needs trust for people with disabilities.

This simple, step-by-step comprehensive guide helps families and professionals plan for the future care, supervision, security and quality of life for a person with special needs.

Financial Freedom for Special Needs Families-9 Building Blocks to Preserve Benefits, Reduce Stress and Create a Fulfilling Financial Future is a comprehensive planning guide designed to give you the ideas and tools needed to create a financial and legal plan for your family. Simple worksheets help you make choices at each decision step so you can put your plans in place quickly. When you follow the simple steps in this invaluable planning guide, you will learn how to set up a special-needs trust, get out of debt and fund an incredible future for your family. *Financial Freedom for Special Needs Families* will help you: Understand special needs-trusts and how to have yours in place in 30 days. Create financial stability and reduce stress. Take steps to fund a trust to care for your family member with special needs. Appreciate how much you've learned and grown as a result of your family member with a developmental disability. Gain more clarity about what you really want for yourself and your entire family.

"Written with both compassion and expertise, this bestselling book provides families with a comprehensive guide to planning for the lifetime needs of a child with disabilities. It presents the Five Factors readers need to consider- family and support, emotional, financial, legal, and government benefits-and how to plan for these factors at every stage of a child's life. The second edition includes updates based on current law, fully revised chapters with a wealth of practical recommendations, and a ten-step, manageable planning process. Online resources include fillable timelines, worksheets, and other planning documents to help families create a secure, full, and happy life for and with their child"--

30 Days to Your Special Needs Trust - A Quick Start Guide to Your Special Needs Estate Plan Estate planning is an urgent issue for families who have a member with an intellectual or developmental disability. This crucial planning step can preserve income, health insurance and access to programs to support a person with disabilities, but too many families get stuck and don't act. Families cannot afford to get stuck. The potential value of benefits is too great to lose. 30 Days to Your Special Needs Trust focuses on simplifying the decisions families have to make. It encourages you to take action and complete your special-needs trust and estate plan to protect your family. This quick-start guide will help you: - Act quickly to protect valuable benefit programs - Learn the primary decisions to make in creating an estate plan - Create a list of names to fill key roles - Reduce stress when you finish this important planning step

Persons with disabilities and their family members and caregivers face numerous challenges every day. But beyond those day-to-day issues, they often need assistance navigating bureaucracies and in developing plans for long-term care and financial security. This book, written by a special needs attorney, supplies essential information and valuable guidance to the issues involved in representing these clients. The book begins with advice on understanding and representing special needs clients and their families, including key questions to ask to tailor an appropriate plan. Subsequent chapters address other aspects of representing special needs clients, including: - Public benefits, including SSI, Medicare, and Medicaid- Special needs education issues- Special needs trusts- Financial issues- Ethical and practice risks- How to build a special needs legal practice

Why do so many families with a special needs member buy life insurance they cannot afford, does not meet their protection needs and does not create enough wealth for their families? This book seeks to answer the question and give families the tools to determine how much insurance they need, what they can afford and what type of policy to buy.
