Buy Study Guide. Thoreau's Walden was written for a very specific audience. At its smallest, its intended audience is comprised of those Concord residents who had attended his lectures at the village lyceum and who had questions about the two years he had lived alone at Walden Pond. At its largest, this intended audience is a New England audience - an audience defined in some ways by a particular history, culture, and set of ideas.

Walden is a work of many gaps and contradictions, a work that seems to keep the reader off balance. Thoreau was just as interested in the process of forming ideas as he was in their final form; as Martin Bickman says, he wishes to record "volatile truths": "Behind the structure of Walden and enacted within it, then, are two competing drives, one an immediate openness to flux, a responsiveness to a continually changing world, and the other a desire to rescue and preserve from that world ...

Walden Chapters 5/9 Summary - eNotes.com

Thoreau's two-year experiment in self-reliant living at Walden Pond embodied his determination to "rise above" or "transcend" the physical world. Walden illustrates Transcendentalist principles in part through Thoreau's attentive contemplation of the animal and plant life surrounding the pond. Regarding some inhabitants of the woods, Thoreau observes in Chapter 2: "I found myself suddenly neighbor to the birds; not by having imprisoned one, but having caged myself near them."
