Winning Legal Strategies for Insurance Law is an authoritative, insider's perspective on the best practices for insurance companies to stay in compliance with state regulations.? Featuring partners and chairs from some of nation's leading firms, these experts guide the reader through the intricacies of an insurance lawsuit, including important aspects of state regulations, insurance coverage disputes, and working with authorities to ensure compliance.? These top lawyers give tips on The Insurance Holding Company Act, The Statutory Account Principles, and Spoliation Laws. Additionally, these leaders reveal their strategies for planning defensively, keeping abreast of change, and finding creative solutions in a variable area of law. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today as these experienced lawyers offer up their thoughts around the keys to success within this ever-evolving field.

Insurance is a sophisticated financial vehicle that can be best understood through the lens of risk management. Experiencing dramatic growth, captive insurance is owned and controlled by its insureds, pooling the risks of its owners. Captive insurance provides businesses with unmatched flexibility regarding coverage, claims, premium, and control, while also offering advantages such as lucrative dividends and innovative financing techniques. This state-of-the-art guide traces the development of small captive insurance and addresses how to set up and properly manage a captive. Modern Captive

Insurance: A Legal Guide to Formation, Operation, and Exit Strategies begins with an overview of what captive insurance is and detail the advantages in setting up a captive for a range of different business situations. Chapters explain how to incorporate and start up a new captive insurance program, including basic terminology and the roles different professionals play in running captive programs. Captive insurance is an intricate yet effective risk management strategy. For guidance in properly establishing a captive, the authors address critical issues evaluated by the IRS, such as risk shifting and distribution, and explore ethical considerations arising out of off-shore captive management, such as how to identify money laundering red flags and how to properly manage the investments of reserves. Modern Captive Insurance takes an in-depth look at the topics and issues that are common in insurance and in businesses, but are often handled differently for captives, such as: - Financial statements, investments, and financial ratings- Policy drafting and coverage- Risk pools and structuring the pooling arrangement to be valid- Federal, state and local taxation- Tax-exempt organizations- Risk retention groups (RRP)- Reinsurance, and more

Insurance Law Client Strategies is an authoritative, insiders perspective on best practices for counseling both policyholders and insurance companies on claims and policy disputes. Featuring partners and chairs from some of the nations leading law firms, these experts guide the reader through developing a client/attorney relationship, maximizing the value of the attorney, and analyzing the intricacies of insurance law. From formulating case strategy to determining settlement vs. litigation, these leaders offer expertise on drafting insurance policies, analyzing coverage, and assessing regulations. These top experts offer a clear understanding for the many components of insurance law involving regulatory filings, corporate merger agreements, employee claims, the appeals process, and reinsurance issues. Additionally, these top lawyers give tips on the importance of evaluating documentation, decoding insurance polices, and understanding the impact of financial implications.

Insurance Law Deal Strategies is an authoritative, insiders perspective on successfully analyzing and negotiating insurance disputes. Featuring partners and chairs from some of the nations leading law firms, these experts discuss strategies for protecting ones client and understanding the design, negotiation, and implementation of insurance deals. From analyzing important laws to evaluating the current trends, these experts offer key strategies for structuring deals, preparing negotiations, and determining settlement versus litigation. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today as these experienced lawyers offer up their thoughts around the keys to success within this dynamic field.

Inside the Minds: Legal Strategies for the Insurance Industry is an insider's look at the most significant legal issues in the insurance business today and the best tactics for addressing them. Featuring ten chairs and senior partners of insurance law representing the nation's leading firms, this book provides specific advice on a host of topics, from building relationships with regulatory authorities to entering into successful transactions with other insurers. The experts in this book review recent cases and developments in the law to illustrate the current legal environment and offer practical tips relating to claims avoidance, dispute resolution, international issues, and more. With a range of industry niches represented and a wealth of useful sample agreements, Legal Strategies for the Insurance Industry combines legal expertise with business savvy into an indispensable resource for both insurance attorneys and their clients. About Inside the Minds: Inside the Minds provides readers with proven business intelligence from C-Level executives (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies nationwide, rather than third-party accounts from unknown authors and analysts. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession or topic is headed and the most important issues for the future. Through an exhaustive selection process, each author was hand-picked by the Inside the Minds editorial board to author a chapter for this book. Table of Contents: David A. Attisani, Choate Hall & Stewart LLP— “ The Reinsurance Point of View; ” Alan F. Berliner, Thompson Hine LLP— “ Keys to Dealing with State Insurance Departments ” ; Jim Cooper, Gardere Wynne Sewell LLP— “ The Customer's Perspective: Making the Most of Insurance Coverage ” ; Paul R. Marc Tepper, Buchanan Ingersoll— “ Adding Value for the Client ” ; James R. Woods, LeBoeuf, Lamb, Greene & MacRae, LLP— “ Providing Business Solutions from a Legal Perspective. ”

Legal and insurance strategies for reducing the risks of running a home-based child care business.

Recent Developments in Insurance Coverage Litigation provides an authoritative, insiders perspective on best practices for representing and advising clients involved in insurance coverage disputes. Featuring partners and shareholders from some of the nations leading law firms, these experts guide the reader through the key stages of the litigation process as they offer tips on reviewing policy language, addressing common legal issues, and staying up-to-date on recent trends. These top lawyers reveal their advice on negotiating general liability policies, navigating developments in D&O insurance, and implementing creative litigation strategies based on current changes in the law. From understanding the increasing role of government agencies to meeting client expectations in light of the economic downturn, these authors explain how best to navigate national trends that tend to affect lawyers and their clients. Additionally, these leaders discuss the effects of the Gulf Coast oil spill on business interruption coverage. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating this ever-evolving area of law.

Winning Legal Strategies: Director and Officer Indemnification and Insurance for VC Backed Companies is a practical guide to crucial financial protection for venture capital professionals and officers of venture-backed companies. The book, written by leading Silicon Valley venture capital attorney Thomas Klein, is both a plain English primer for the educated executive as well as a hands-on strategy guide for optimizing financial protection for those serving as directors or officers of venture-backed companies. Mr. Klein has simplified the complex areas of indemnification and director and officer insurance to provide a readable manual on fundamentals and strategies. In addition, the book includes valuable appendices summarizing leading venture capital cases, including sample indemnification provisions for company charter documents along with an actual indemnification agreement. This is a must-have book for any venture professional taking a seat on a portfolio company board of directors

or for any executive taking an officer position at a venture-backed company.

The goal of this Video Leadership Seminar is to provide lawyers with critical information and proven legal strategies for insurance coverage litigation. The DVD is viewable on any computer or iPod (that supports video) and features 40 minutes of live video with Paul Koepff of O'Melveny & Myers sharing his knowledge on the latest strategies in insurance coverage litigation. The Video Leadership Seminar provides essential information for such litigation, including the steps to take and what to avoid, as well as an overall framework and timeline for how to proceed. Topics covered in the Video Leadership Seminar include: - Strategies for handling the complexities of insurance policies - How to resolve insurance coverage disputes - Laws governing insurance disputes - Methods for analyzing and evaluating policies to determine the applicable litigation forum - Simple versus complex insurance cases - Step by step for handling insurance coverage disputes - Case Studies of specific situations and what you can learn from them
