They have survived the worst they could imagine now they must face the future. After a catastrophic storm tore through the village of Eyemouth in 1881, the villagers have slowly started to move on. Inconsoable at the loss of her husband, Rosabelle Maltman has left Scotland to start a new life, leaving her son behind. Meanwhile her sister-in-law, Jessie, is finding ways to manipulate the men of the village for her own gains. But it is their mother-in-law Effie who is the lynchpin of the family, who keeps the community spirit alive in Eyemouth and helps the grieving women to rebuild their lives. An uplifting saga of hope and community for fans of Ellie Dean and Anna Jacobs.

A Comprehensive Introductory Guide to the Genesys® Platform and the Workforce Management Solution for General, System, IT and Senior Managers.

Axiom Business Book Award Silver Medalist in Leadership | Soundview Best Business Book A "Highest Rated CEO" who has transformed his organization into a billion-dollar company and a "Top Place to Work" shows leaders how truly prioritizing employees isn't just good for employees—it's good for business. Imagine a company where everybody loves to work, where employees feel not just "satisfied" but truly cared for, respected, and energized. Think of the impact this would have on recruitment, retention, customer satisfaction, innovation, and overall performance. Aron Ain, the award-winning CEO of Kronos, a global provider of workforce management and human capital management cloud solutions, believes that anything is possible when people are inspired. By embracing employee development and engagement as a growth strategy, Ain transformed his company's culture and built a billion-dollar business. This book takes leaders and managers inside Kronos's highly admired WorkInspired culture, showing them the surprisingly simple rules to follow to replicate that success. Ain's inspiring guide reveals the best practices that have earned Kronos distinctions on coveted lists, such as Glassdoor's 100 Best Places to Work, Fortune's 100 Best Companies to Work For, Forbes's America's Best Employers, and the Boston Globel's Top Places to Work. These include over-communicating and truth-telling, trusting your people again and again, holding managers accountable for being great at what they do, allowing employees flexible schedules and open vacation time, challenging your people to put the company out of business with new and revolutionary ideas, and welcoming back boomerang employees. Many executives talk about how "their people are their greatest asset." Ain challenges leaders to "walk the talk" and put people first, whether they oversee a team of five or an organization of 500,000. When they do, employees won't be the only ones who thank them. Customers and shareholders will, too.

Human resources management is essential for any workplace environment and is deemed most effective when a strategic focus is in place to ensure that people can facilitate that achievement of organizational goals. But, effective human resource management also contains an element of risk management for an organization which, as a minimum, ensures legislative compliance. Human Resources Management: Concepts, Methodologies, Tools, and Applications compiles the most sought after case studies, architectures, frameworks, methodologies, and research related to human resources management. Including over 100 chapters from professional, this three-volume collection presents an in-depth analysis on the fundamental aspects, tools and technologies, methods and design, applications, managerial impact, social/behavioral perspectives, critical issues, and emerging trends in the field, touching on effective and ineffective management practices when it comes to human resources. This multi-volume work is vital and highly accessible across the hybrid domain of business and management, essential for any library collection.

Call centres and contact centres form an important and rapidly growing part of today's business world. They present a range of management challenges, from strategic decisions about how to develop a customer strategy, business planning, through to detailed considerations of staffing levels and appropriate technology. This new handbook, the first of its kind, provides a unique insight giving expert opinions on how to get the most out of your contact centre operations. Natalie Calvert, a specialist in the field, has brought together a team of 35 experienced practitioners who provide invaluable knowledge, share their experiences and draw on real-life examples to suggest practical solutions on a wide range of topics. This handbook is an indispensable guide and reference for call and contact centre managers, HR specialists and senior executives responsible for marketing, sales or customer services. The handbook is divided into six parts: I The business plan II The people factor III Contact centre technology IV Standards, processes, and outsourcing V Building profitable customer relationships VI The future.

The very latest research shows that a process approach to interviewing provides greater structure and has the potential for significantly reducing bias. Learn how to deter and filter the poor performers and benefit from structured prewritten score able questions that will really make a difference to interviewing effectiveness and securing talented people. In a time when all organizations are striving to get the best talented people, it makes sense for organizations to upgrade and review their interviewing procedures and incorporate whatever techniques are available to reduce interviewing errors. The evidence shows that many HR functions have failed in the past to understand the long-term financial consequences of poor performance or to realize that talented people do so much more work than other employees. Financial examples are shown in this book using data from the 2015 work done survey. Successful talent recruitment is critical to any organization's long-term success. This book gives you a detailed guide to the entire nine-step process with worked examples.
