The world has problems! And no one knows that better than God. (He sees everything, remember?) He decides it's time for that ultimate wake-up call. Only this go-round, the Big Man is giving his Daughter a shot. Her name is Ilona. She's 18, lives in the East Village, listens to alternative music, dates, drinks, and has no problem telling the Pope and the President that they better get their act together...pronto! But like every Savior, Ilona has a deadline. She needs to get her message (the 11th commandment: "Be Kind") across now. And what better way than through the media. She becomes a sensation, promoting her word on various talk shows, and from her vantage point on the cover of every magazine. Ilona is the new "It" girl, the messiah for the X-Generation: cool, quirky, and sexy. And as Jesus Christ's kid sister, she's not about to take any crap from the men who've been running the show. As with her Brother before her, there are the doubters amongst us. People who feel that God has no right rewriting the Bible and that Ilona is the black sheep of the Holy Family. But God is not about to stand by and watch as his little girl is "crucified." He's had enough of the hypocrisy, and takes out a little revenge on those who refuse to believe...opening the door for Ilona to work her divine magic. THE SECOND GREATEST STORY EVER TOLD is a comic gem of a tale, reminiscent of the work of Nick Hornby, Tom Perrotta, and Kurt Vonnegut, which the New York Times called "an irreverent look at the Second Coming" while the Los Angeles Times said it was "a very very funny book." Hip, enchanting and life affirming, like a female "The Catcher in the Rye," THE SECOND GREATEST STORY EVER TOLD tackles all the big issues: Good, Evil, and Rock 'n' Roll.

Have You Ever Seen a Flower? is an enchanting picture book exploring the relationship between childhood and nature. In the tradition of Michael Herr's Dispatches, a National Guardsman's account of the war in Iraq. John Crawford joined the Florida National Guard to pay for his college tuition, willingly exchanging one weekend a month and two weeks a year for a free education. But in Autumn 2002, one semester short of graduating and newly married—in fact, on his honeymoon—he was called to active duty and sent to the front lines in Iraq. Crawford and his unit spent months upon months patrolling the streets of Baghdad, occupying a hostile city. During the breaks between patrols, Crawford began recording what he and his fellow soldiers witnessed and experienced. Those stories became The Last True Story I'll Ever Tell—a haunting and powerful, compellingly honest book that imparts the on-the-ground reality of waging the war in Iraq, and marks as the introduction of a mighty literary voice forged in the most intense of circumstances.

The first novel-writing guide from the best-selling Save the Cat! story-structure series, which reveals the 15 essential plot points needed to make any novel a success. Novelist Jessica Brody presents a comprehensive story-structure guide for novelists that applies the famed Save the Cat! screenwriting

methodology to the world of novel writing. Revealing the 15 "beats" (plot points) that comprise a successful story--from the opening image to the finale--this book lays out the Ten Story Genres (Monster in the House; Whydunit; Dude with a Problem) alongside quirky, original insights (Save the Cat; Shard of Glass) to help novelists craft a plot that will captivate--and a novel that will sell.

In 1950s Australia, young Peter Sheehan was one of the lucky few with a television set. For three years his family watched and marveled at the antics of a bunch of chimps. Then someone realized they actually needed to turn the TV on. In this sarcastic memoir, Sheehan shares his insights on religion, politics and relationships. How can you sum up human behavior? "Look, it made sense at the time!" Original.

Spanning several decades and three continents, Modoc is one of the most amazing true animal stories ever told. Raised together in a small German circus town, a boy and an elephant formed a bond that would last their entire lives, and would be tested time and again; through a near-fatal shipwreck in the Indian Ocean, an apprenticeship with the legendary Mahout elephant trainers in the Indian teak forests, and their eventual rise to circus stardom in 1940s New York City. Modoc is a captivating true story of loyalty, friendship, and high adventure, to be treasured by animal lovers everywhere.
